### Midterm Survey

1. What assets do you bring to this course?
2. What is your “excellence zone” in this course (e.g., when have you said, “I got this” to yourself and/or others)?
3. Where have you shown initiative in this course?
4. Where have you taken responsibility in this course?
5. Have the students and instructor made this a safe place to share ideas? Please provide examples.
6. Think about a time when you felt actively engaged in learning in this course. What was it that made you feel engaged?

No Identification Necessary

7. What is a current learning goal for this course? Getting an “fill-in a grade” or passing the class is not a learning goal. This is linked to why you are taking this course, which is presumably not just to pass another class or get another “X” grade.
  
  
  
  
  
  
  
  
  
  
8. What assets do you observe in the instructor that are facilitating your success in this course?
  
  
  
  
  
  
  
  
  
  
9. What assets do you wish the instructor would develop more fully to facilitate your success in this course?
  
  
  
  
  
  
  
  
  
  
10. What is the best part of being a college student this semester?
  
  
  
  
  
  
  
  
  
  
11. What is the best activity you have participated in on campus this semester?
