

Your name:

(Your name will be removed
before sharing with the presenter)

Presenters name:

- Circle** I am in Chem 280 or Chem 380.
yes maybe no The title was specific and informative.
yes maybe no The relevance of the work was clearly explained.
yes maybe no The figures were high quality and important to the story.
yes maybe no The presentation was at an appropriate level for me to understand.
yes maybe no Nothing in the presentation was distracting.

If you answered no to any of the above, **what advice would you give?**

What is the **main point** of the talk or what was one thing you learned?

What question would you ask the presenter?
